THINGS TO NOTE

- ***Read the award information carefully.*** Many of the scholarships and bursaries have specific instructions. Read and re-read and follow the instructions to ensure that you keep yourself eligible for selection.
- ***Mind the date!*** Not all application deadlines are the same. Be sure to check the dates for your applications and submit them promptly. ****If your application must be mailed, allow ample time for mail delivery so that your application arrives on or before the deadline!***
- ***Use the correct application form.*** Many scholarships and bursaries use the Standard DHS Application but there are several that have custom applications. Make sure you use the right one! The Standard DHS Application is included at the end of this booklet. All other applications are available online or in the Guidance Office. ****Each award requires a separate application!***
- ***Transcripts.*** If the award(s) that you are applying for indicate that a transcript is required, an electronic version can be emailed to you (request from dhsguidance@kpdsb.ca) or one can be printed for you in the Guidance Office. Stop by and see Mrs. Penner.
- ***Don't assume you are not eligible.*** Just because you are not going away to College or University this Fall, doesn't mean that there is nothing available to you. Many of the scholarships and bursaries are deferrable for up to one year.
- ***How does it work?*** If you are a successful applicant, you will find out at the Graduation Ceremony. You will also receive all of the information necessary for next steps at that time. If you still have questions, contact the Guidance Office.
- ***Other awards are available.*** There are a few external awards included in this booklet that may be of interest to you. There are also many others that you may be eligible for. Spend some time doing some internet searches - it may be worth your while!
- ***If you don't know, ask!*** If you are unsure about anything in the application process, don't hesitate to ask for help at the Guidance Office.
- ***Info is available online.*** This document is available for download from the DHS Guidance website. As well, all of the application forms are available as fillable pdfs. Visit: <http://guidance.dhseagles.kpdsb.on.ca/scholarships-bursaries/>
- ***Info is available in the Guidance Office.*** Feel free to drop by the Guidance Office to pick up a hard copy of this booklet or any of the applications.

Sunset Thespians Bursary

"All the worlds' a stage and all the men and women merely players. They have their exits and their entrances, and one man, in his time, plays many parts." We, at SUNSET THESPIANS, (a local volunteer community theatre group) absolutely believe this to be true. Therefore, we are offering two bursaries of \$1000 each to two students to assist them in furthering their Performing Arts education. The bursaries will be awarded based on the "parts" the students have played on the volunteer stage - a "part" that goes beyond the mandatory forty hour graduation requirement - which will demonstrate a real passion for involvement in the theatrical community. Are YOU one of these people...
