

Domtar Scholarship Application

Domtar is offering:

- **three (3) \$750 scholarships** to qualifying students at Dryden High School who are in their final year entering into either a **SKILLED TRADES** apprenticeship experience or to study in the **SKILLED TRADES** at a recognized College or Technical Institute
- **four (4) \$750 scholarships** to qualifying students at Dryden High School who are in their final year entering into any field of **ACADEMIC STUDY** at a recognized and accredited University, College or Technical Institute
- **one (1) \$750 scholarship** to a qualifying student at Dryden High School in their final year. Qualified applicants for this scholarship are those students who have successfully completed a **CO-OP PLACEMENT EXPERIENCE** at Domtar at any time during their time at DHS and are entering into either;
 - study in the SKILLED TRADES at a recognized College or Technical Institute
 - Or entering into any field of study at a recognized University, College or Technical Institute

In order to qualify, students must demonstrate and provide the following:

- Successful completion of grade twelve - Ontario Secondary School Diploma (OSSD)
- A minimal academic achievement of 70%
- Academic and Coop applicants must demonstrate completion of Grade 12 math - ***this is not a requirement for Skilled Trades applicants***
- Demonstrated community and/or school involvement through volunteerism and extracurricular activities
- A short, written essay (500 words) describing why you have chosen this career path. Please describe your community involvement and extracurricular activities explaining how those experiences will support you in your career endeavours.
- A written letter of recommendation (family members excluded)

Note to applicants:

- Scholarships are deferrable for up to one year with written request to Domtar from the selected student.
- In order to receive payment, students who are selected as scholarship recipients must provide to Domtar official proof of enrollment from their post-secondary institution's registrar's office.
- Skilled trade applicants that are moving directly into an apprenticeship experience will need to provide a letter of confirmation from their employer / apprenticeship lead to verify their apprenticeship placement.
- **All required material is to be emailed to dianne.loewen@domtar.com before October 31, 2022. No funds will be released until proper confirmations are received.**
