

2023 GUSTAVO ARGUETA MEMORIAL HIGH SCHOOL SCHOLARSHIP

Soccer Northwest Ontario (SNO) is proud to sponsor the Gustavo Argueta Memorial High School Scholarship Award. SNO will award a total of two (2) scholarships each year totaling \$500 each, to a deserving male and female student who is proceeding on to post-secondary education and continuing their involvement with soccer in any capacity while attending that post-secondary institution.

Gustavo was beloved by all who met him due to his cheerful and caring disposition. He excelled at sports but soccer was his true passion. His dedication to the sport earned him the respect of his teammates and opponents alike. His hard work and commitment also earned him a post-secondary scholarship in the U.S. Tragically at age 24, he was taken from his family and the community while working a summer job.

This award recognizes exceptional student athletes that are leaders in their community, on the pitch, performing well in the classroom as well as continuing involvement with soccer in some capacity while attending college or university. To register for the scholarship, students need to apply following the instructions below. Students must be a potential graduate currently attending a high school within the SNO district. Applications must be received by Soccer Northwest no later than Friday May 5th
